## Aluminium Pergolas

### **Transform Your Outdoor Space**

At Allers Aluminium, we design and manufacture premium aluminium pergolas that combine clean architectural lines with modern functionality. Whether for residential patios, commercial courtyards, or hospitality settings, our pergolas create elegant shade and structure with zero compromise on quality.

# ALLERS ALUMINIUM

## Why Choose Our Aluminium Pergolas?

- ✓ **Weather-Resistant:** Built to endure Namibia and South Africa's toughest coastal and inland climates.
- ✓ **Low Maintenance:** No rust, no warping – just long-lasting durability.
- ✓ **Custom Designs:** Tailored to fit your space, style, and application.
- ✓ **Modern Aesthetic:** Clean lines, powder-coated or mill finish options.
- ✓ **Versatile Use:** Perfect for patios, braai areas, pool sides, restaurants, and entrances.

## Specifications

- **Material:** High-grade structural aluminium
- **Finish Options:**
  - Mill finish (natural aluminium look)
  - Powder-coated (variety of colours available)
- **Mounting Styles:**
  - Wall-mounted
  - Free-standing
  - Attached with posts
- **Maximum Sizes:**
  - Width: Up to 7.2m
  - Length: Up to 20m
- **Wind Resistance:** Engineered to withstand strong wind loads
